

Life doesn't have to stop
even if you have to.

PRUHospital Care360

Affordable care that keeps you going during hospitalisation,
because life doesn't wait.

Pause. Recover. Heal.

PRUHospital Care360 keeps life going, while you recover.

We all know how important it is to rest and recover when health issues strike. Even when your body needs a break, life and its responsibilities keep moving.

Hospitalisation often brings more than just health concerns. It may cause income loss, add unexpected expenses not fully covered by health insurance, and disrupt your financial plans. That's a lot to handle at a time when you should be focused on getting better.

That's where PRUHospital Care360 steps in — so you don't have to worry about the financial fallout while you heal. It's designed to:

Keep you financially stable

Ease your finances with daily income payout during hospitalisation.

Fit your life and budget

Choose from our affordable plans to fit your unique needs while enjoying an easy sign up with just 3 health questions.

Premiums start from as low as S\$23.63/month¹.

Provide 360° care support beyond hospitalisation

Get wellness support — before, during and after your hospital stay.

¹ Based on the monthly premium for Plan 1, for ages 16 to 30.

Keeps you financially stable

Alleviate out-of-pocket expenses and any income loss with daily cash benefits while you rest during hospitalisation.

66 - 70	929.25	78.99	1,858.50	157.97	2,787.75	236.96

Premiums starting from as low as **\$S\$23.63/month*

Less than a taxi ride when it rains, but protects you when life hits like a storm.

¹ Refers to Age Next Birthday (ANB). For renewal premiums up to age 90, please refer to the product summary. Premiums inclusive of prevailing GST and is subject to change.

Provides 360° care support beyond hospitalisation

Make an appointment via our customer portal (**PRUaccess**)¹. Visit [here](#) for more information on 360° Care Services.

Traditional Chinese Medicine (TCM)

Integrate holistic health practices into your routine easily with **15% off all TCM services** at [Thomson Chinese Medicine](#).

Exclusive to PRUHospital Care360 customers.

Health Screening and Vaccination

Enjoy partner rates on health screening packages and fully subsidised home-based child and senior vaccinations² for Singapore citizens.

Teleconsultation

Consult a General Practitioner (GP) 24/7 on demand at partner rates and receive your medication within 3 hours with no delivery fee.

Chronic Care Management Programmes

Our Diabetes, Hypertension and High Cholesterol Programmes help with early detection of chronic conditions, improving your level of care while reducing medical costs. Get preventive screening at no cost³.

Mental Wellness Support

Complete a Patient Health Questionnaire-9 (PHQ-9) assessment at no cost to gain insight into your current mental health and determine if further support is needed.

¹ Appointments can be made via our customer portal (**PRUaccess**) on the **PRUHospital Care360** policy details page.

² Singaporean children between 2 and 18 months will be eligible for full subsidies if they are the Life Assured of the **PRUHospital Care360** policy. Senior vaccinations are available for individuals aged 65 and above.

³ The preventive screening includes blood sugar, blood pressure, lipid test and body mass index (BMI) assessment at no cost. Policyholders who have been previously diagnosed with Diabetes/Hypertension/Hyperlipidemia and are undergoing treatment with a GP will not be eligible as they would already be on existing medication prescribed by their attending physician.

Get additional income support when an **infectious disease** puts life on pause
