VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

• The ILP Sub-Fund is valued every Business Day to work out the unit price. Prices of the ILP Sub-Fund may currently be obtained from www.prudential.com.sg, or such other publications or media as may from time to time be available.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the ILP Sub-Fund by submitting a signed written instruction to us or the distributor from whom you purchased your ILP.
- If you do so within the review period of 14 days from the date you receive your Policy Document/Policy Booklet, premiums less medical fees (if any) incurred in assessing the risk under the policy will be refunded. We use a premium refund formula as determined by us, to work out the amount to be refunded to you. As you purchased an investment-linked type of policy, we will, in determining the amount that is payable to you, additionally be entitled to adjust the amount to reflect the change in market value of the underlying assets.
- Partial withdrawals are subject to minimum holding requirements. If you make a partial withdrawal, the remaining units in your ILP policy must be worth at least S\$1,000 based on the bid price at the time of withdrawal. If not, you will not be able to make a partial withdrawal.
- Your withdrawal value is determined as follows:

[°] If we receive your withdrawal application by 3.00 pm, the withdrawal value will be based on the bid price calculated on the next Business Day.

[°] If we receive your withdrawal application after 3.00 pm, the withdrawal value will be based on the bid price calculated on the second Business Day following the day we receive the withdrawal application.

- You will normally receive the withdrawal value no later than 6 Business Days from the date we receive and accept your withdrawal application.
- The withdrawal value that you will receive will be the bid price multiplied by the number of units sold. An example is as follows:

1,000	Х	S\$0.95	=	S\$950
Number of Units		Bid Price		Withdrawal
Withdrawn				Value
